Dear Chapter Sponsors,

Design at its purest reflects the values of community. It is a human-centered, purposeful endeavor anchored in optimism and equality. When our new board gathered at this year's summer retreat, we thought about how the Chapter's values, programming, and events could continue to elevate the design community of Illinois. In response to your feedback, we made some minor changes to the sponsorship structure in order to better serve you.

Why become a sponsor of the IIDA Illinois Chapter? In addition to being part of the leading network for the interior design industry, your support enables the Illinois Chapter to provide A&D professionals with opportunities to share knowledge, forge relationships, and celebrate design. We could not make this happen without you! Sponsor benefits include event tickets, website, email, social media and event advertising opportunities, as well as the chance to submit your projects for a RED Award. Last, but not least, we invite all annual sponsors to participate in the planning stages of our events and provide us with invaluable feedback.

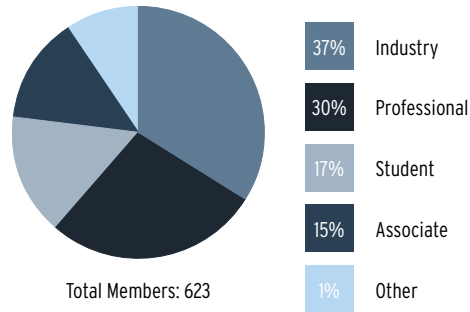

Thank you for considering IIDA Illinois to be part of your company's investment in the design community. If you have any questions, please do not hesitate to contact our VP of Sponsorship, Jamie Cavalier at jcavalier@bxstudios.com or our administrative office at (815) 464-0785.

Sincerely,

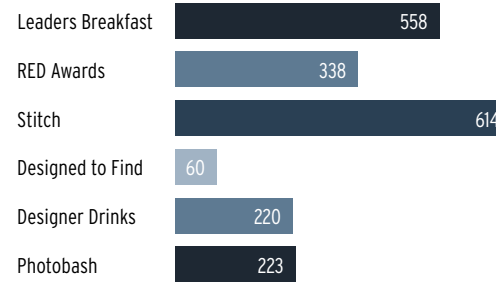

Amanda Witte, IIDA Illinois Chapter President
